

CAPABILITY STATEMENT

Bulldog
CONSULTING SERVICES

WHO WE ARE

Bulldog Consulting Services, founded in 2007, specializes in project management, process optimization, business advisory and execution, and customized training solutions. Our mission is to translate our customer's needs into reality by providing exceptional customer service and always doing the right thing.

Bulldog is a premier business consulting firm that services a wide variety of customers, from large profile, Fortune 500 companies, to small regional businesses. All our business is from repeat customers or referrals. We are a certified, women-owned business. Our team is high-energy, enthusiastic, skilled and brings strong ethics and values in all we do.
